Visa Account Updated (VAU) is an account updating service in which your Wakota FCU Visa Debit Card is automatically enrolled. When your Debit Card(s) expire, are lost or stolen and new cards are issued, the VAU service may update relevant card data (card numbers and expirations dates) to appropriate merchants who participate in VAU. This service provides updates to a Visa database only. The database is accessed by those qualified merchants seeking your account information after you have requested they process a recurring payment or payments. This service is provided as a free benefit to you to help facilitate uninterrupted processing of your recurring payments.
