Important Notice for Members Who Receive Paper Statements: *Paper Statement Fee*

Due to the increasing cost of providing paper statements, Wakota FCU has found it necessary to implement a paper statement fee of \$1.50/statement beginning June 30, 2019. The price of postage, paper, printing and processing paper statements adds up to be a significant annual expense.

Remember that credit unions are not-for-profit financial cooperatives and, as a member, you are part owner of the credit union. Saving money allows us to return more money to members in the form of more services and more competitive rates.

To avoid paying the paper statement fee, we encourage you to consider moving from a paper-based option to eStatements. eStatements provide the same information as paper statements and are securely available through online banking. Enrolling in eStatements will allow you to access up to 18 months of statements 24 hours a day/7 days a week.

Once you are registered for online banking, simply click on Info Center/eStatement Options to enroll today. We are here to help! Visit our branch or contact us at 651-451-3330.

Note: Members under 18 and over 55 years of age will not incur the fee.
